

2022 Conference of Spinal and Pelvic Tumor

2022/11/05 (Saturday) 08:40~17:10

Taipei Veterans General Hospital Chih-Teh Building Conference Room 4

Time	Topics	Speakers	Chairs
8:15-8:40	Registration		
8:40-9:00	Opening Remarks	Director of the hospital Dr. Wei-Ming Chen <i>Taipei Veterans General Hospital</i>	
Section I			
9:00-9:35	Imaging of axial skeletal neoplasms	Dr. Ching-Lan Wu <i>Department of Musculoskeletal Radiology, Taipei Veterans General Hospital</i>	Dr. Cheng-Ying Shiau <i>Department of Radiation Oncology, Taipei Veterans General Hospital</i> Dr. Hsiu-Ju Yen <i>Department of Pediatric and Pediatric Oncology, Taipei Veterans General Hospital</i>
9:35-9:55	Identification of Unique Fusion Transcripts on Unknown Sarcoma at pelvic or Chest Wall using Targeted Enriched NGS	Dr. Paul Chih-Hsueh Chen <i>Department of Molecular Pathology, Taipei Veterans General Hospital</i>	
9:55-10:15	Myeloablative chemotherapy for high-risk Ewing sarcoma patients: TP VGH experience	Dr. Hsiu-Ju Yen <i>Department of Pediatric and Pediatric Oncology, Taipei Veterans General Hospital</i>	
10:15-10:35	Preoperative denosumab treatment against Giant cell tumor of spine	Dr. Hsiung Wei <i>Department of Spine Surgery, Taipei Veterans General Hospital</i>	
10:35-10:45	Coffee Break		
Section II			
10:45-11:10	<u>Invited Speech 1 (On-line)</u> Surgical treatment for primary spinal tumors	Dr. Seung-Jae (SJ) Hyun <i>Department of Neurosurgery, Spine Center, Seoul National University College of Medicine</i>	Chief Jau-Ching Wu <i>Department of Neurosurgery, Taipei Medical University Hospital</i> Dr. Chao-Ming Chen <i>Therapeutical and Research Center of Musculoskeletal Tumor, Taipei Veterans General Hospital</i>
11:10-11:40	<u>Invited Speech 2</u> Excisional surgery for spinal tumors: techniques, indication, and significance	Dr. Satoshi Kato <i>Department of Orthopedic Surgery in Kanazawa University</i>	
11:40-11:55	The application of enbloc spondylectomy in spinal tumor	Dr. Chih-Chang Chang <i>Department of Neurosurgery, Taipei Veterans General Hospital</i>	
11:55-12:15	Surgical Treatment of Metastatic Spinal Tumor	Dr. Po-Hsin Chou <i>Department of Spine Surgery, Taipei Veterans General Hospital</i>	
12:15-13:30	Lunch time		

Section III

13:30-13:50	Image guided and computer simulation for pelvis and sacrum tumor resection	Dr. Chao-Ming Chen <i>Therapeutical and Research Center of Musculoskeletal Tumor, Taipei Veterans General Hospital</i>	Dr. Shan-Wei Yang <i>Department of Orthopedics, Kaohsiung Veterans General Hospital</i> Dr. Hung-Kai Weng <i>Department of Orthopedics, National Cheng Kung University Hospital</i>
13:50-14:10	Biological reconstruction for bone tumor	Dr. Po-Kuei Wu <i>Therapeutical and Research Center of Musculoskeletal Tumor, Taipei Veterans General Hospital</i>	
14:10-14:30	Experience of periacetabular tumors in VGHTPE musculoskeletal tumor unit	Dr. Pai-Han Wang <i>Therapeutical and Research Center of Musculoskeletal Tumor, Taipei Veterans General Hospital</i>	
14:30-14:50	Experience of Chordoma treatment in VGHTPE	Dr. Abigail Rivera Tud <i>Therapeutical and Research Center of Musculoskeletal Tumor, Taipei Veterans General Hospital</i> Philippine Orthopedic Center, Philippine	

14:40-15:00

Coffee Break

Section IV

15:00-15:20	Preoperative embolization of spinal tumor	Dr. Li-Yu Fay <i>Department of Neurosurgery, Taipei Veterans General Hospital</i>	Dr. Po-Kuei Wu <i>Therapeutical and Research Center of Musculoskeletal Tumor, Taipei Veterans General Hospital</i> Dr. Chun-Liang Hsu <i>Department of Orthopedics, National Defense Medical Center</i>
15:20-15:40	Carbon ion therapy for musculoskeletal tumor	Dr. Cheng-Ying Shiau <i>Division of Radiation Oncology, Department of Oncology, Taipei Veterans General Hospital</i>	
15:40-16:00	Surgical treatment of primary chest wall tumor	Dr. Po-Kuei Hsu <i>Department of Thoracic Surgery, Taipei Veterans General Hospital</i>	
16:00-16:20	Soft tissue reconstruction around the pelvic and spine	Dr. Yu-Chung Shih <i>Department of Plastic Surgery, Taipei Veterans General Hospital</i>	

Section V (Joint Speech)

16:20-16:40	Family-centered of holistic care of children with brain tumor	Nursing Supervisor Chen-Tzu Chi <i>Department of Nursing, Taipei Veterans General Hospital</i>	Chief Jau-Ching Wu <i>Department of Neurosurgery, Taipei Veterans General Hospital</i>
16:40-17:00	How does International Medical Service Center of Taipei Veterans General Hospital improve our service quality?	Chief Chin-Su Liu <i>International Medical Service Center, Taipei Veterans General Hospital</i>	Chief Shih-Hwa Chiou <i>Department of Medical Research, Taipei Veterans General Hospital</i>
17:00-17:10	Closing Remarks	Chief Jau-Ching Wu <i>Department of Neurosurgery, Taipei Veterans General Hospital</i>	
18:00-	Banquet
