The image shows a screenshot of a web browser displaying the Cisco Webex website. The browser's address bar shows the URL `webex.com/zh-tw/index.html`. The website has a dark theme with a navigation bar at the top containing links for "Cisco Webex", "解決方案", "計畫和定價", and "學習更多". The main content area of the website features the text "隆重推出" (Grandly Launched) above the heading "嶄新的 Webex". Below this, a paragraph states: "Webex 能凝結現場和遠端的所有人，同心協力出色完成工作。" (Webex can bring everyone on-site and remote together to出色完成工作). A white button labeled "免費註冊" (Free Registration) is centered below the text.

Below the website screenshot, there is a simulated mobile device screen displaying the Webex mobile app interface. The app shows a video conference titled "Barbara German 的個人會議室". It features three video feeds: Barbara German (labeled as the host), Brenda Song, and Adrian Delamico. The app's status bar at the top shows the time as 9:41, the date as 6月3日 (Monday), and a 100% battery level. The bottom of the image shows a Windows taskbar with various icons and a system clock indicating 上午 08:45 on 2021/5/19.
